When you book East Afton for your wedding, you won't have to worry about the stress of getting the venue ready in the morning, or the day flying by and being over so quickly. All of our booking options provide you and your suppliers plenty of time to perfect your wedding set up the day before the wedding so that on the day you can relax and make memories with family & friends. Our weekend hire includes accommodation for up to 20 in our beautiful farmhouse & annex, and you can add it onto the mid-week hire - have a mini holiday with your wedding party!

WEDDING CO-ORDINATION INCLUDED

No need to worry about your day running smoothly - we're here to oversee all aspects for you, so you don't have to. Over £1000 worth of planning & coordination is included complimentary in all of our packages. In the months leading up to your day, you can hand-over everything you have booked for your celebrations - we'll then create your schedule for you, liaise with all of your suppliers and handle logistics, then provide on-the-day coordination so you can enjoy every moment!

The venue is dog-friendly, and we encourage them to be part of your day! Whether they are sharing the limelight, greeting your guests for photos, or relaxing in the farmhouse, there are lots of options to suit each four-legged friend. We can also assist in arranging dog sitters so you know they are well looked after.

New Wedding Trends

PLANNING A WEDDING AND CURIOUS TO KNOW WHAT'S NEW AND TRENDING IN THE WEDDING WORLD IN 2025 AND BEYOND? A FEW IDEAS BELOW FROM VARIOUS MARKET LEADERS...

CONTENT CREATORS

Capture candid content, for your social channels or for raw film and photos. They aren't a replacement for a wedding photographer or videographer but instead can work alongside them to provide even more memories from your big day.

COLOURFUL WEDDING FLOWERS

Think hot pink, colour clashes, vibrant palettes, bold visions and colour-popping portfolios!

CATERPILLAR TABLES

An alternative to a more traditional layout, round tables joined together to form a long winding shape. Floral wise, these look stunning with floral meadows, or bud vases and candles en masse.

WEDDING PHOTO APPS

Keen for content and reluctant to miss a moment? Encourage your guests to download a wedding photo app, such as WedShoots, and then collect all their snaps to truly experience your wedding from your guests' POV.

WEDDING TUXEDOS

Say no more...

LIVE WEDDING PAINTERS

The perfect ice breaker and conversation starter, and a beautiful personalised keepsake for your guests.

MICRO WEDDING

A trend that grew out of necessity during the pandemic, intimate weddings are very much continuing to grown in popularity. We have the perfect package for up to 40 guests for those looking to keep it small and spread the celebrations over a few days.

WEDDING WELLNESS

Why not host pickleball tournaments, organise hikes of the Tapnell Trail, book yoga & treatments pre-wedding or have a morning beach swim- the opportunities are endless
