ISLE OF WIGHT

Wedding Menu Taster Evening

Get a taste of your big day and come sample some of our most-loved wedding dishes, meet other couples, and soak up the atmosphere with family and friends while enjoying live music, entertainment and wine tasting

SATURDAY 24 JANUARY

FROM 6PM / £55 per person

(maximum of 4 additional guests) Limited availability

For our tasting evening, we've created a menu that highlights a wide variety of dishes in smaller portions, giving you the chance to sample as much as possible to help guide their final menu choices.

Each guest will enjoy a starter and main course presented as individual sharing plates, with each dish served in canapé-style. To end the evening, desserts will be displayed on a beautifully styled table for couples to help themselves.
