SUNDAY 22 FEBRUARY 2026

11AM - 3PM

Thank you

Thank you to all of the Island businesses showcasing their services with us today. We are so lucky to have such a variety of talents, ready to be part of your celebrations!

Thank you also to those who have supported us in making today possible.

Welcome

Welcome to East Afton Farmhouse for our 2026 Wedding Showcase

Today is all about you! If you're seeking guidance and support creating your special day, we have over 80 wonderful businesses here looking forward to discussing your wedding celebrations. We hope you enjoy a day of gathering inspiration and planning. The venue is filled with creativity! Make the most of some great show discounts and tasters! You'll notice that there are stands spread over the entire venue - please check the venue map to ensure you don't miss any areas.

Feel free to tour the farmhouse & annex and meet the suppliers inside, explore the Piglets & Snug in East Afton Paddocks, check out all the good photo spots with a walk around the gardens, and imagine celebrating with us whilst taking in all that our event barns have to offer.

If you would like to speak to a member of the East Afton team, you'll find us in the main events barn and at the marquee entrance check-in point.

Whether you're one of our 2026 couples, have recently booked for future years, or are still looking for a venue, we'd love to talk weddings and are happy to discuss anything and everything with you today, including Q&A, checking availability and booking private tours.

Our Services

HELP WITH PLANNING

At *East Afton Farmhouse*, we pride ourselves on offering the highest quality service for you and your family and friends. We have gained years of experience in hosting the most amazing wedding celebrations and the best day of our couple's lives.

We believe that the key to a good relationship with our couples is good communication & flexibility - booking extras with us will remove stress, offer a competitive rate, and be efficient and professional. Each of these services can be added on as a bespoke extra if required - we can do as little or as much as needed, with packages tailored to you, depending on your personal requirements.

FLORISTRY

We believe that floristry has the power to transform each wedding, leaving a lasting impression, and each and every wedding will be unique to every couple. Teaming up with Joanna at 'Afton Blooms', we can now include floristry in your wedding quote.

STATIONERY

Whether you don't know where to start, or you've seen something you love, we can help you choose from an array of colours, fonts, designs, layouts and venue illustrations to personalise your wedding.

STYLING

Imagine a stress-free lead up to your wedding day, with the days before spent having fun with family and friends. You can sit back and relax, with our team's styling services at an hourly rate. Benefit from our imagination, research, ideas & creativity!

PROP HIRE

We've carefully curated a list of quality items to add onto your booking if required, including arches, easels, candle holders, centrepieces, garden games, disco balls, lanterns and lots more. There is no minimum spend - no order too big or small.

More than just a venue

East Afton Farmhouse is not just a wedding venue, but a home away from home to make memories you'll treasure forever. Our team are dedicated to ensuring that every couple has the best day!

ALL IN ONE PLACE

Enjoy your whole day at the venue – from waking up on your wedding day, getting ready with your bridal squad, ceremony, drinks reception, dinner, dancing and partying the night away!

All three of our barns, as well as outdoor areas, are licensed for ceremonies.

NOT JUST ONE DAY

When you book East Afton for your wedding, you won't have to worry about the stress of getting the venue ready in the morning, or the day flying by and being over so quickly.

All of our booking options provide you and your suppliers plenty of time to perfect your wedding set up the day before the wedding so that on the day you can relax and make memories with family & friends.

Our weekend hire includes accommodation for up to 20 in our beautiful farmhouse & annex, and you can add it onto the mid-week hire – enjoy another party the next day or have a mini holiday with your wedding party!

WEDDING CO-ORDINATOR

No need to worry about your day running smoothly – we're here to oversee all aspects for you, so you don't have to.

Over £1000 worth of planning and co-ordination is included complimentary in all of our packages. In the months leading up to your day, you can hand-over everything you have booked for your celebrations – we'll then create your schedule for you, liaise with all of your suppliers and handle logistics, then provide on-the-day coordination so you can enjoy every moment!

It's all in the details

It's our philosophy to ensure that your planning process is seamless and relaxed, providing you with everything you need to create the best wedding celebration to be remembered for many years to come.

COCKTAIL HOUR

A cocktail hour is a great addition between dinner and dancing!

Imagine acoustic music playing outside or in another barn to get the party started, whilst the team takes care of transforming your dining area into a dance floor!

SMALL & INTIMATE

We offer all-inclusive packages for up to 40 guests at East Afton Farmhouse, using our two smaller event barns (The Stone Ceremony Barn and The Coach House) which creates the perfect space for a more intimate gathering.

LIVE WEDDING ILLUSTRATORS

A totally unique way to capture the emotion and energy of the day whilst also providing a timeless and original keepsake for your guests.

FOUR-LEGGED FRIENDS WELCOME

The venue is dog-friendly, and we encourage them to be part of your day! Whether they are sharing the limelight, greeting your guests for photos, or relaxing in the farmhouse, there are lots of options to suit each four-legged friend. We can also assist in arranging dog sitters so you know they are well looked after.

ALL THE GREAT FOOD!

Working with Kevin Hendy at Seasoned Kitchen, our in-house catering means you can expect the best local, seasonal produce for your whole wedding. That includes sit down meals, sharing platters, carveries, BBQs, canapes and more. How about a post-wedding brunch with everyone?

WE HAVE PACKAGES AVAILABLE WITH SOMETHING FOR EVERYONE, TO SUIT ALL BUDGETS, ALL GROUP SIZES AND ALL WEDDING DAYS!
